

CLINIQUE JURIDIQUE DES ARTISTES DE MONTRÉAL
MONTREAL ARTISTS LEGAL CLINIC

Legal Info Night on June 7th

The Montreal Artists Legal Clinic (CJAM) and the **Conseil des arts de Montréal (CAM)** would like to invite Montreal artists to CJAM's monthly legal information night on Monday, June 7, 2010 from 7:30-9:30 pm at the offices of CAM (1210 Sherbrooke Est).

CJAM's legal information nights give artists the opportunity to discuss their legal issues with a trained volunteer for approximately 30 minutes. The volunteer will then research the artist's issue and get back to the artist with relevant legal information (usually within 10 business days).

If you're interested in an appointment, or if you have any questions, please send an email with your name, contact information and preferred language of consultation to rsvp@cjам.info. Please note that space is limited so register early!
